PROCEDURE FOR APPLYING TAMIL NADU GOVERNMENT AND GOVERNMENT-AIDED COLLEGES OF EDUCATION B.ED. ADMISSIONS - 2026

Tamil Nadu Government and Government-Aided Colleges of Education – B.Ed. Admission 2026 (TNGASAEDU - 2026) is a fully online application process. Applicants must complete the following activities through the official web portal: entering application details, paying the registration fee, uploading required certificates, downloading the application form, selecting preferred colleges and subjects, and finally, accepting and confirming the allotted seat. The counseling and admission process consists of the following steps:

The entire counseling procedure consists of the following steps:

- To complete the application process, candidates can register online from their home or any location with internet access.
- Candidates without internet access can apply through the nearest Admission Facilitation Center (AFC 2026) located in Government and Government-Aided Colleges of Education in Tamil Nadu.
- The rank list will be published on the official website.
- Candidates must enter their preferred colleges and **courses** in the order of their choice.
- Based on the entered preferences, community reservation, and merit rank, allotment orders will be issued through the online portal.
- Candidates should download the allotment order using their username and password.
- Finally, candidates must report to the allotted college in person and confirm their admission.

- **User Registration**

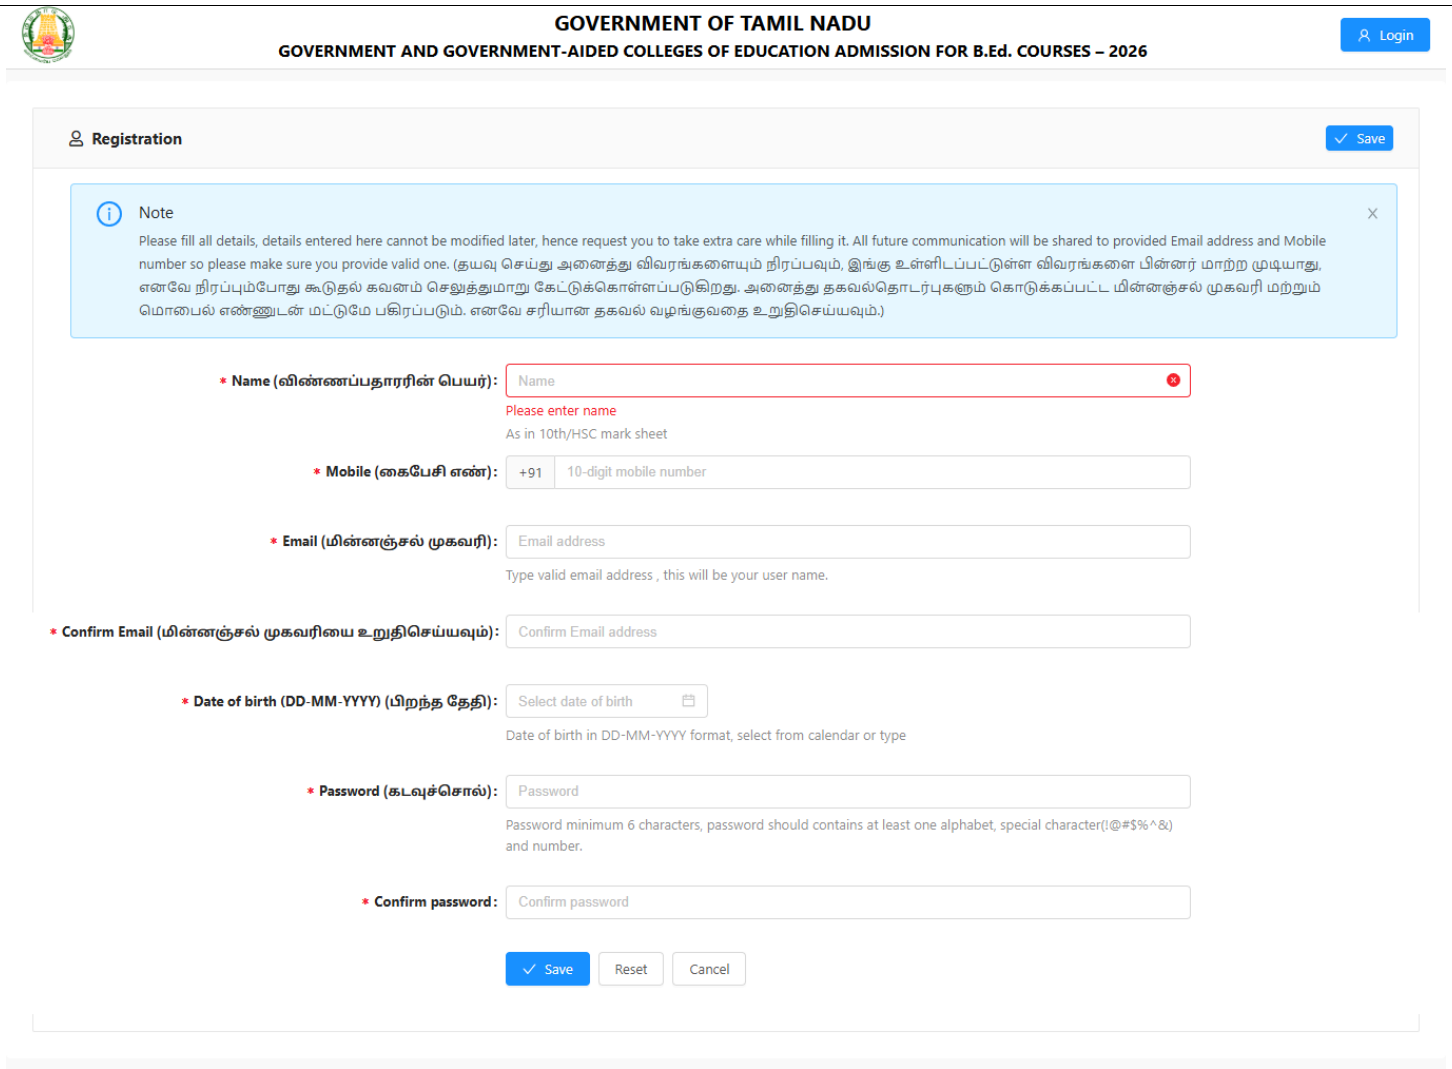

Let us now understand how to register the application. To simplify the registration process, it has been divided into several easy steps. Please follow these steps carefully. First, visit the official website: **www.tngasa.in**. You will then see the following screen on your computer. The application registration process consists of the steps listed below:

1. User registration
2. Login
3. Fill I - Personal Information
4. Fill II - Special Reservation Information
5. Fill III - Academic Information
6. Fill IV - Degree Marks

7. V - Preview Details
8. VI – Uploading Certificates
9. VII - Complete Payment
10. VIII - Download Application
11. IX - Choice Filling - Notification will be issued later
12. X - Allotment and Confirmation - Notification will be issued later

Click on "Click here for new Registration," and a new web page will appear on your computer screen. The steps for registration are detailed in the "Registration" section of the page. It is important to accurately fill in all the required information on the provided web form. Please ensure that all details are entered correctly to avoid any issues during the registration process.

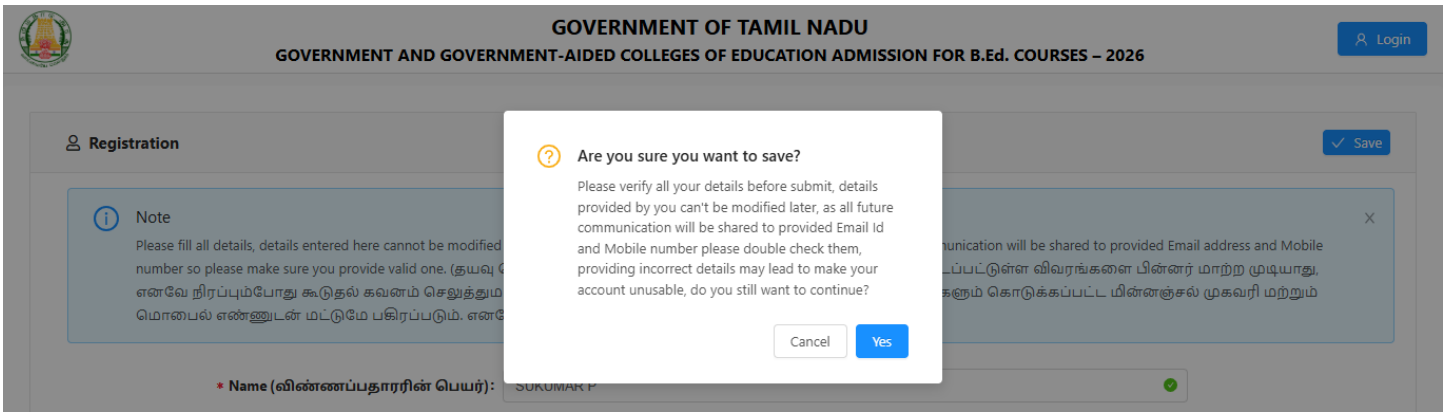

When registering, please keep the following in mind:

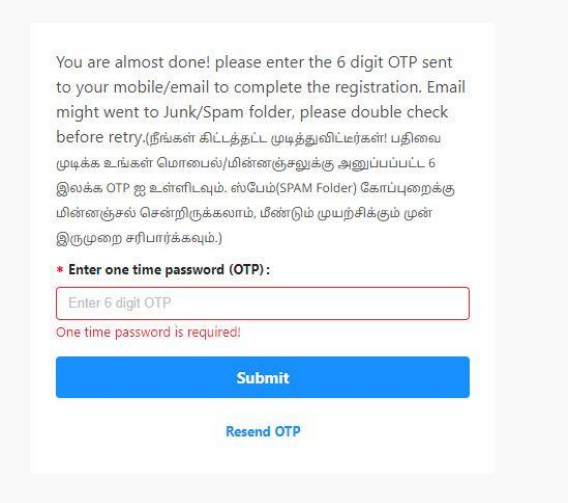

1. **Name**: Provide your name exactly as it appears on your 10th/12th grade certificate.
2. **Mobile Number**: Enter the mobile phone number you have provided. All important notifications will be sent to this number.
3. **Email Address**: Provide a correct and active email address. If you do not have an email address, create one and then enter it. If you encounter any difficulties in creating an email address, you may use your parent's email address. This email will be considered the registered email address for your application, and all communication will be sent to this address.
4. **Email Confirmation**: Confirm your email address by checking your inbox and following the verification steps.
5. **Date of Birth**: Select your date of birth accurately.
6. **Password**: Carefully create your password. It must contain at least six characters, including one number, one special character, and letters.
7. **Confirm Password**: Re-enter your password to confirm it.

Before submitting, please double-check all your information as it cannot be changed later. All future correspondence and updates will be sent to the email address and mobile number you have provided. Ensure that all details are correct, as incorrect information may result in issues with your account. After

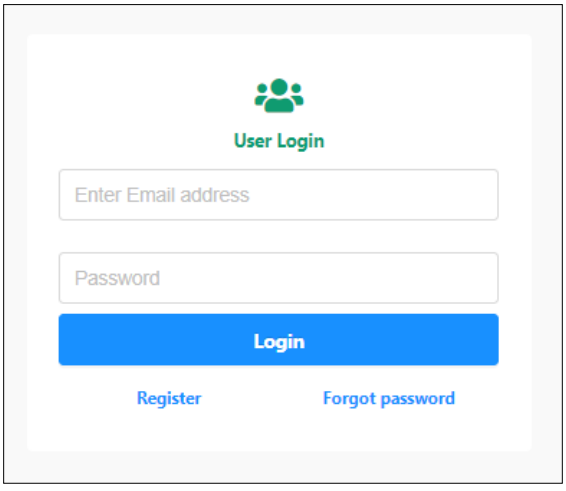

reviewing your information, click the "Save" button to proceed. Are you ready to continue? If so, click "Yes" to proceed.

At this stage, you will receive a One-Time Password (OTP) on your smartphone, which can be used only once. Enter the OTP in the field labeled "Enter One Time Password (OTP)" on the screen below, then click "Submit." If you log in successfully, you will see the following screen:

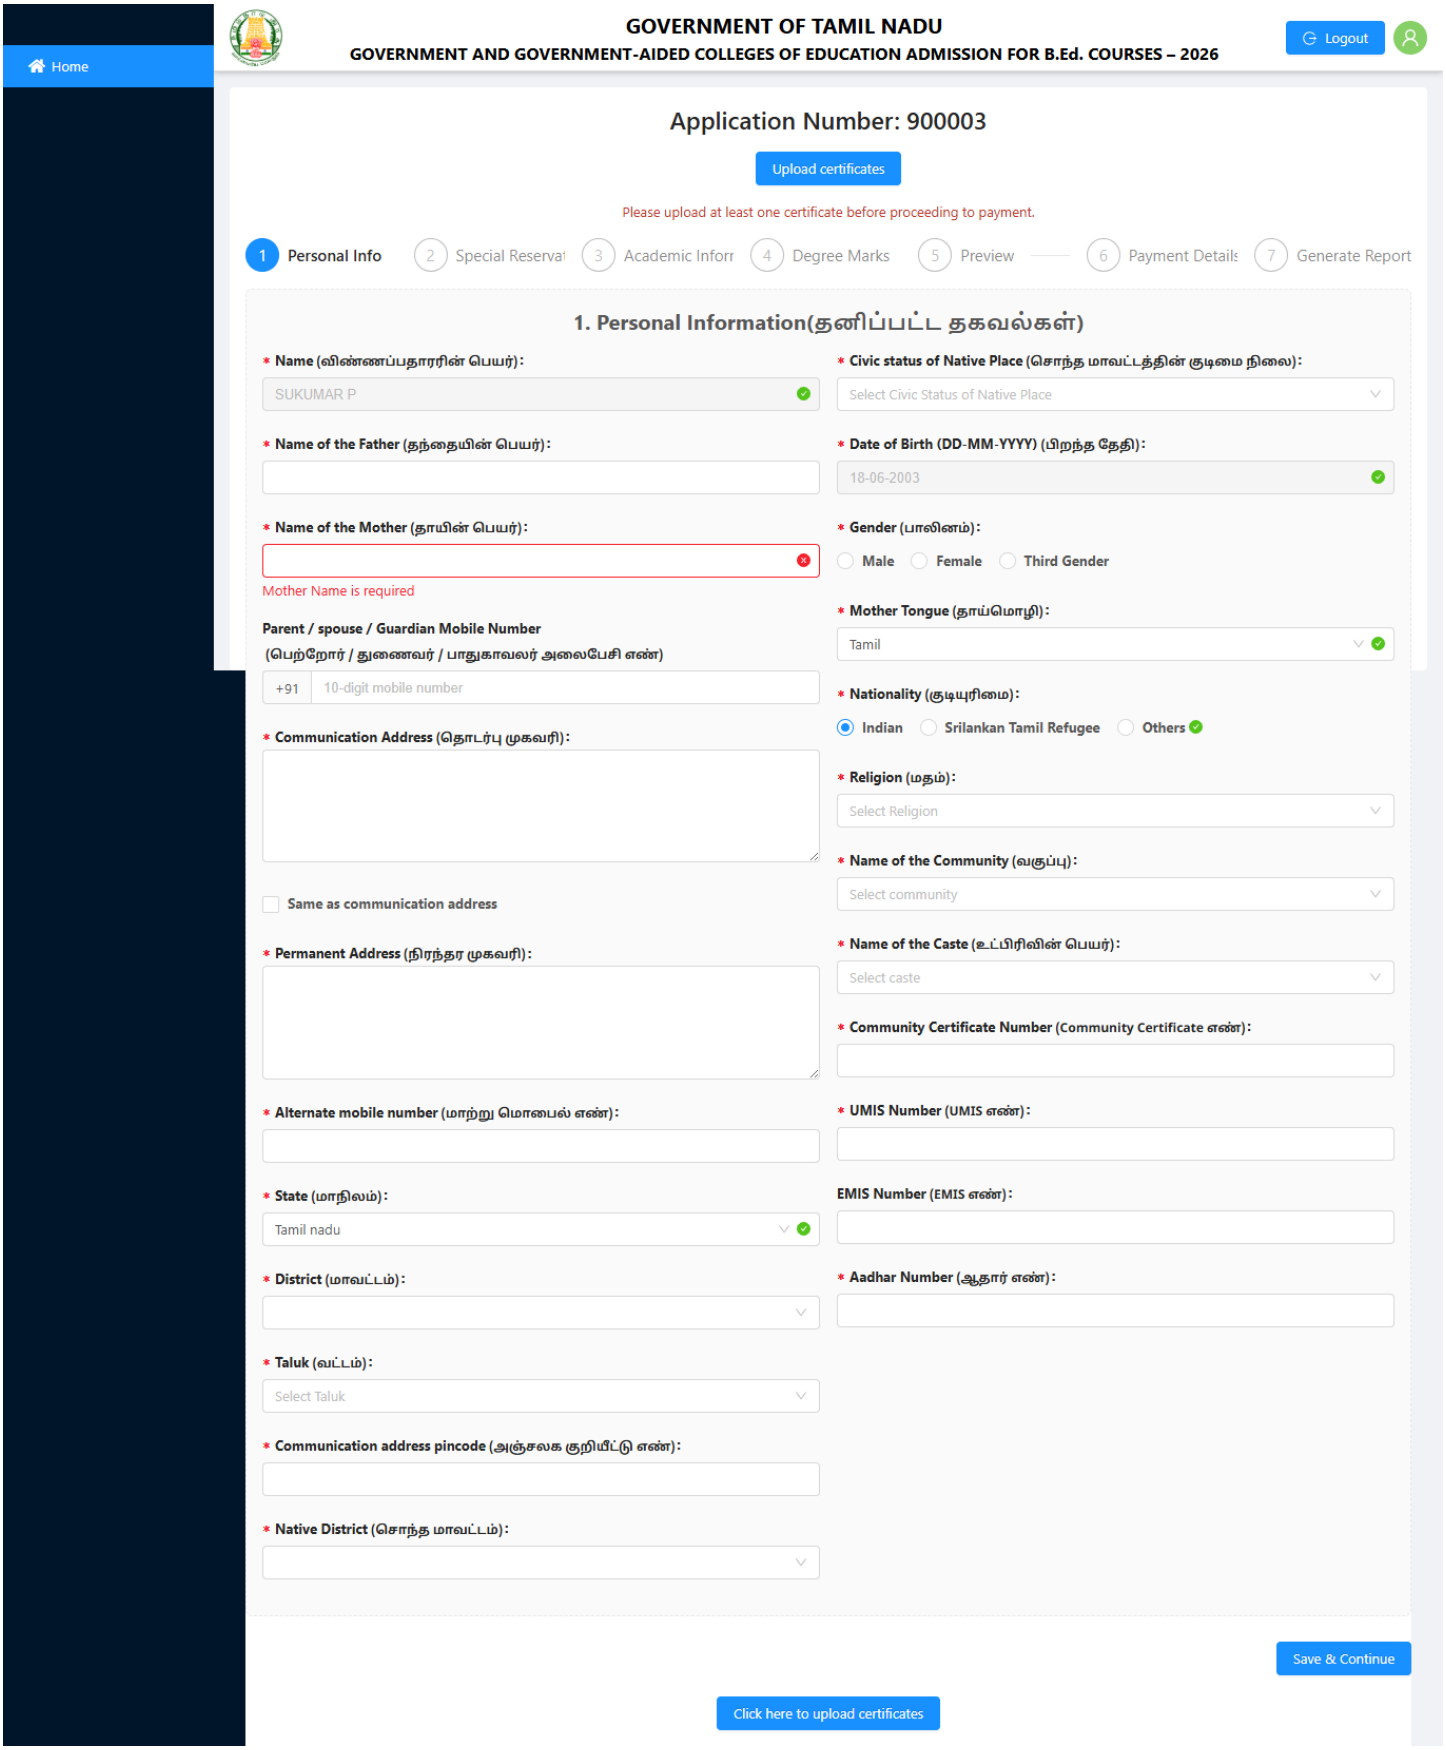

The following web page will now appear on your computer screen. You can log in using your email address (Email ID) and password (Password).

After logging in, the following computer screen will appear:

1. Personal Information
